RE: Opinion of the conservator on design solutions for the Works Contract titled "Expansion of the left and right embankment of the Biala River in the Tarnow Municipality and the City of Tarnow" under the study titled "Expansion of flood embankments and construction of the right embankment of the Biala River in the Commune of Tuchów, Tarnów, City of Tarnow".

In reference to your note dated 03/20/2015 (reception date: 03/23/2015, ref. no.: 598/15) on the aforementioned issue, the Provincial Authorities for Heritage Protection – Office in Tarnów provides **a positive opinion for the aforementioned Works Contract.**

We simultaneously inform that one shall pay special attention to a railway gatehouse (Kassali Street) at the railway bridge spanning over the River Biała. It is an object of significant historic value, and it is protected by the conservator, as stated in an entry to the heritage register of Małopolskie Province dated August 28, 2014, ref. no.: A-1415/M. Furthermore, remnants of the old bridge (abutments) located at Kwiatkowskiego Street shall be kept.
